1. Outdated symbols for Visa and Mastercard

Description:

The website displays outdated symbols of the Visa and Mastercard logos, confusing users and creating a sense of datedness.

Steps to Reproduce:

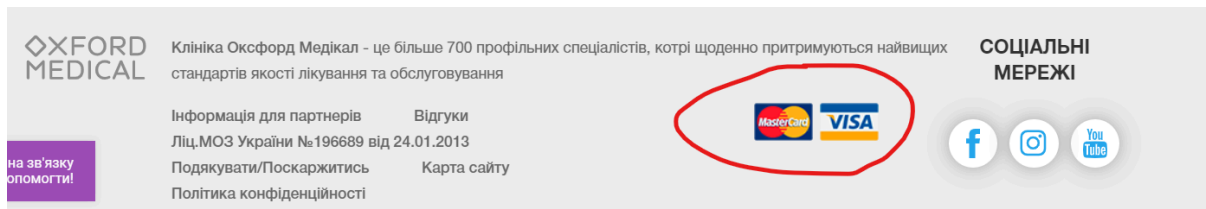

1. Open any page of the website [Приватна медична клініка Оксфорд Медікал Київ для дорослих та дітей \(oxford-med.com.ua\)](#).
2. Scroll to the end of the page.
3. Observe the symbols for Visa and Mastercard.

Actual result:

The website displays outdated Visa and Mastercard symbols that do not correspond to the current branding.

Expected result:

The website should display the most up-to-date Visa and Mastercard symbols, in accordance with branding standards and guidelines.

2. Information shifted to the right side on the "About the clinic" page

Description:

When you visit the "About the clinic" page on the website, the information content is shifted to the right side of the page, which disrupts the readability of the page.

Steps to Reproduce:

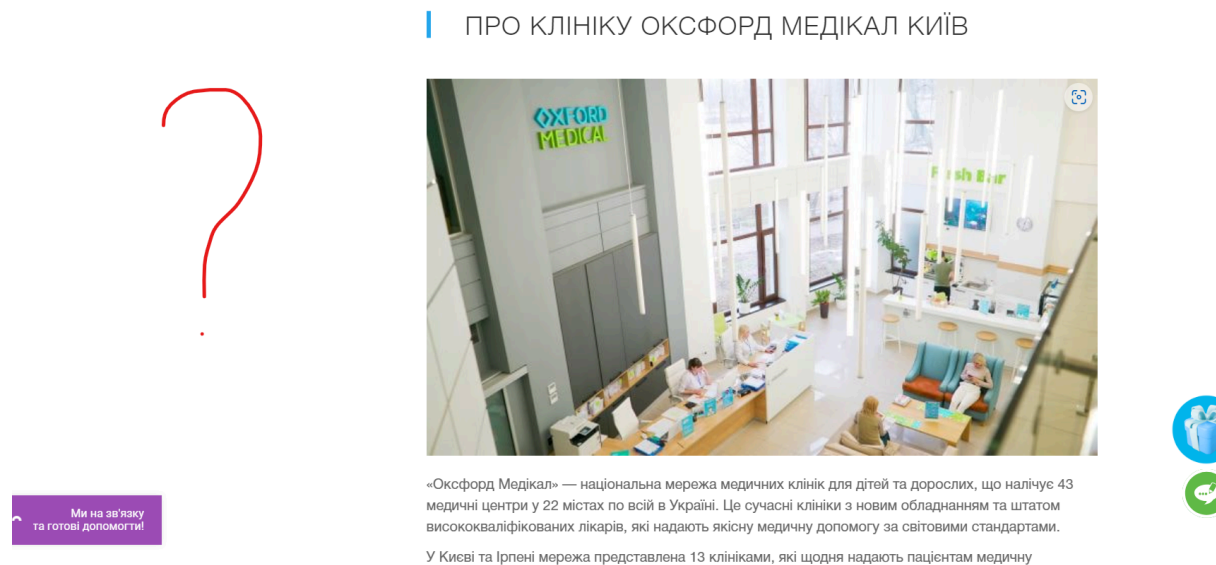

1. Open the "About the clinic" page and scroll through it [Інформація про приватну медичну клініку Оксфорд Медікал Київ \(oxford-med.com.ua\)](#).
2. Observe the information content.

Actual result:

The information content on the "About the clinic" page is shifted to the right, which leads to a mismatch between the designs of different pages of this website.

Expected result:

Information on the "About the clinic" page should be centered or aligned to ensure readability and visual consistency.

3. Information shifted to the left on the "Promotions" page

Description:

When you visit the "Promotions" page on the website, the information content is shifted to the left side of the page, which disrupts the readability of the page.

АКЦІЇ

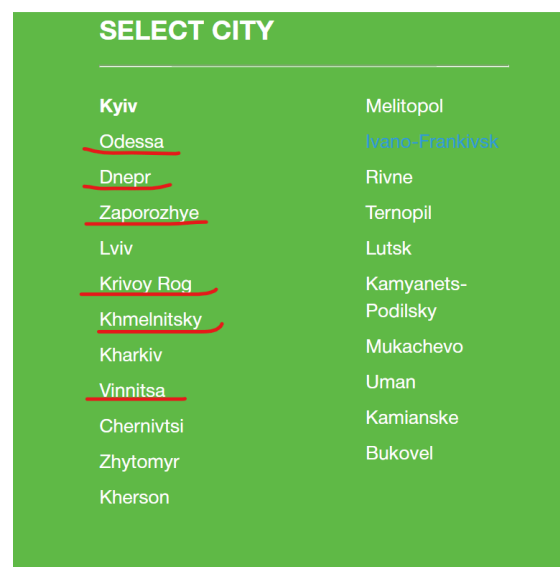

4. Incorrectly displayed names of Ukrainian cities when changing the page language to English

Description:

After changing the language of the website to English and navigating to "Select your city", the names of Ukrainian cities are displayed incorrectly and without following the transliteration rules.

Steps to Reproduce:

1. Open any page of the website [Приватна медична клініка Оксфорд Медікал Київ для дорослих та дітей \(oxford-med.com.ua\)](https://oxford-med.com.ua).
2. Change the language to English in the top right corner of the header.
3. Click on "Select city" in the top left corner of the header.
4. Observe the names of Ukrainian cities.

Actual result:

The names of Ukrainian cities are displayed incorrectly, which may be unrecognizable to English-speaking users, leading to misinterpretation of information.

Expected result:

If the language of the page is English, the names of Ukrainian cities should be accurately displayed in English in the correct transliterated format.

5. The text is cropped and does not fit into the information block when the page language is changed to English

Description:

When you change the page language to English, the text in one of the blocks in the “CURRENT SPECIAL OFFERS” section is cut off, which leads to the incomplete display of the content and makes it difficult to read.

Steps to Reproduce:

1. Open the main page of the website [Приватна медична клініка Оксфорд Медікал Київ для дорослих та дітей \(oxford-med.com.ua\)](https://oxford-med.com.ua).
2. Change the language to English in the top right corner of the header.
3. Scroll to the “CURRENT SPECIAL OFFERS” section.
4. Observe the text within the information blocks.

Actual result:

After changing the language of the page to English, the text inside one of the blocks in the “CURRENT SPECIAL OFFERS” section is cropped and does not fit into the allotted space, which leads to incomplete visibility of the content.

Expected result:

After changing the language of the page to English, the text in the “CURRENT SPECIAL OFFERS” section should be adapted accordingly, fitting into the space allotted for it and ensuring readability for users.
